R+D Fabricator

Description

COMPANY OVERVIEW:

CREO Industrial Arts is a custom fabricator that has been producing high-end architectural products for over 30 years. We execute the vision of the world's finest architects, experiential graphics designers, landscape architects, and exhibit designers, producing extremely high fit and finish custom products for a wide variety of venues.

From the smallest, most detailed piece to large, multi-story structures, CREO does it all. Every project is different, but what they all have in common is the sophistication of the design and the industry's highest standard of quality.

Responsibilities

POSITION SUMMARY:

As an R&D Fabricator, you will report directly to the R&D Manager and assist in conducting research and development activities to drive innovation, improve existing products and processes, and develop new products. You will closely with cross-functional teams, including metal fabricators, specialty fabricators, project managers, and site supervisors, to achieve the company's R&D needs.

ESSENTIAL DUTIES AND RESPONSIBILITIES:

- Assist in planning and executing research projects: Design and implement plans, experiments, and protocols to address specific company objectives.
- Willing to continue to learn new technologies to meet company objectives.
- Collaborate with cross-functional teams: Work closely with colleagues from different departments, such as Fabrication, Paint, Tech Design, Project Management and more.
- Foster effective communication and knowledge sharing among team members.
- Maintain accurate records and documentation: Document research procedures, results, and project progress.
- Ensure compliance with regulatory and safety standards.
- Other duties as assigned.

Qualifications

QUALIFICATIONS:

- Previous Fabrication experience
- Experience using shop tools

Job Benefits

COMPANY SALARY/BENEFITS:

CREO offers a great career growth culture, competitive salary, holidays, vacation, comprehensive benefits including medical, dental, vision, life, AD&D, LTD coverage, and a 401(k) plan.
